

Directions to ICTAS –
 Research Building XV – Virginia Tech CRC
 1880 Pratt Drive, Suite 2000

If coming from campus, come up Tech Center Drive toward the CRC. Just past the CRC sign take a right on Pratt Drive. Drive to the top of the hill and when the road curves sharply to the left, turn right into the entrance of RBXV. (Sign is somewhat hidden by a tree/bush.) As soon as you turn into the parking lot, take a right then an immediate left to come further down the parking lot.

To the ICTAS Administrative offices:

Park at the tower which is directly in the middle of the building where the arrow is pointing. (This is the RB XVI rear entrance.) Go through the door at the tower, and to the top of the stairs on your right. The ICTAS office suite is to the right, on the second floor.

If stairs are not an option, park at the entrance closest to the one-story, lab space, and take the elevator to the second floor. Go down the long hallway, through two sets of closed doors, and the ICTAS glass, double doors are on the right.

To the RB XV conference/seminar room - 2018:

Park at the entrance closest to the one-story, lab space, and take the elevator (or stairs) to the second floor. The conference room is immediately on your left after walking from the elevator.

To the RB XVI conference room - 3090:

Follow directions to the ICTAS main office – conference room will be on your left at the top of stairs.
